

Better Solutions. Better Patient Care.

Optimum Healthcare IT named 2017

BEST IN KLAS

Overall IT Services Firm

There are few things more important to the success of healthcare organizations than identifying the right healthcare IT partner. As the list of projects grow and become more complex, IT departments are busier than ever with managing EHR implementations, legacy support, help desk, integrations, and data management. Properly assessing the needs of your organization while balancing resources affect the efficiency of your staff and have a direct impact on your bottom line. It is important to have a partner that understands your unique needs and that can bring resources and experience with a complete and comprehensive service offering that is tailored to fit your needs.

Optimum Healthcare IT is that partner and this is why leading healthcare providers come to us to provide better solutions and better patient care. Optimum Healthcare IT is committed to developing true business partnerships with a high-touch, customer service focus. This philosophy starts at the top of the organization and is the core value we instill in all of our employees and consultants. We bring the most proficient business and clinical consultants in the industry together to identify our clients' issues and explore the right solutions to fit their organization's goals. We combine people, processes, and technology to ensure our clients' success.

Optimum Healthcare IT Named 2017 BEST IN KLAS Overall IT Services Firm with a score of 95.7

Optimum Healthcare IT is a solutions provider - we bring a highly-skilled team of professionals who provide high-quality service. **Optimum only provides the best.**

Our Team has built a reputation on being responsive, flexible, and most of all, accountable. We are committed to helping improve healthcare delivery by providing tried and proven practice management solutions. Consequently, this has become our highest priority.

OUR PHILOSOPHY

At Optimum Healthcare IT, we are committed to helping our clients improve healthcare delivery by providing world-class consulting services. By bringing the most proficient and experienced consultants in the industry together to identify our clients' issues, we work to explore the right solutions to fit their organization's goals. **Together, we identify and implement the best people, processes, and technology to ensure our client's success.**

Optimum Healthcare IT provides small-business flexibility with large-business stability, but without the extraordinary costs.

We are responsive, flexible, and most of all, accountable.

CORE VALUES

Our core values are simple – we start by listening and focus on three key areas:

Providing excellent service

Showing passion for our work

Making patient safety our top priority

By listening, we understand our clients' unique needs and then select only the most qualified candidates for your organization – and then we constantly follow-up to make sure the consultants remain a perfect fit. Our team brings years of healthcare clinical, operational, and IT knowledge and takes the time to understand the uniqueness of your organization, working collaboratively with your staff to customize solutions that are specific and targeted to your needs.

Without sacrificing quality, we are committed to providing world-class consulting services, at a reasonable cost. Our role is to act as trusted advisors to our clients – **your success is our success.**

WHY CHOOSE OPTIMUM?
