*Community Connect*

*Community Connect enables Epic's customers to extend a shared Electronic Health Record (EHR) to the community. This collaboration allows smaller organizations to have access to a more integrated and robust EHR. As the needs for patient engagement, care coordination and interoperability grow, extending the capabilities of the Epic EHR to community hospitals, clinics, and physician practices benefits both the community and the patient.*

*Optimum Healthcare IT has a dedicated Community Connect Advisory Services practice that leverages our knowledge, understanding, and experience with Connect methodologies and tools to strategically align the goals and processes of our clients and extend them into the community. Our Connect experts share lessons learned and best practices.*

*We will help you promote your Connect offering to the community, as well as fully implement once all design decisions are made.*

*The Optimum approach starts with analyzing your market and understanding costs, developing a tailored offering to meet your strategy and assisting in contract creation and implementation schedule. We will help you promote your Connect offering to the community, as well as fully implement once all design decisions are made. In addition, we handle the Stark Law and Stimulus research for you.*

*Community Connect is a strategic initiative which requires significant planning, commitment, and execution. Many Health Systems have recognized the benefits of this growth strategy, and more importantly patients have benefited with more integrated clinical records. Connect is more than an IT-project it is an alignment with your community physicians and hospitals providing continuity of care for your patients.*

***Optimum deploys a unique model.** With a full service practice dedicated to Community Connect, Optimum has the experience and tools to guide you through the project and be successful.*

*It is our mission to deliver best practices and leading IT solutions for a **stronger healthcare community.***

*Optimum's Consultants have many years of experience providing services in Community Connect that encompass:*

*Optimum Healthcare IT's Community Connect consultants have backgrounds spanning all levels, from analysts to directors to C-level, to serve your community by leveraging years of experience with Epic solutions. We provide guidance on the key factors in successfully implementing a Community Connect rollout, including buy-in from leadership and each individual practice, a detailed analysis of workflows, a clearly defined training plan and physician championship.*

*Our subject matter experts are available to offer customized recommendations, both onsite and remotely, that will help you successfully design, build, implement, optimize, or upgrade your organization's EHR.*

*With a full service practice dedicated to Community Connect, Optimum has the experience and tools to guide you through the project and be successful.*
